"Jamboree"

Visit "[Jamboree](#)" on MotoLyrics.com

Well the very first time I saw your face I knew right
Then I was in the place that starts with J and ends in
E. We're going to have a jamboree! A Space Jamboree.
I'm
A little spaceman, I'm coming for you. Hop along with
me
It's easy to do. Everybody is laughing and nobody is
sad.

Spaceship Jamboree is not just a fad. Tell me, tell me,
Tell me please, there was a time I did not know about
the
Jamboree and how it goes, but now I do. I'm not the
only
One. Space jamboree! We'll have a whole lot of fun.
