Talk to the wind that passes you by  
There's work to be done while your carpet rides  
Pressed to the ear - eyes wide blind

On the Hellphone

Wireless snakes are luring you in  
Step right up - let Babel begin  
When they call for you just let it ring

On the Hellphone

Do you hear? Anyone here?  
The signal is clear...  
Near

The call of the Hellphone  
We're all on the Hellphone  
The call of the Hellphone  
We're on the Hellphone
