I was thinking about you  
Hanging lights electric blue  
And neck restraints for two

I was thinking about you  
Wonder if you're thinking too  
I do, I think of you

I said what I said, I said what I said  
I said what I said: I want you

I was thinking about you (thinking I was thinking about  
You)  
Shredding paper like you do (paper shreds but won't  
Forget)  
Your signature tattoo

I was thinking about you (thinking I was thinking about  
You)  
Welding metal barbecue (metal welding lights electric)  
Blue bell dreams of you  
Blue bell dreams of you

I said what I said, I said what I said  
You heard what I said, I said what I said:  
I want you  
You said what you said, you said what you said  
You said what you said, I heard what you said:  
I'm not sure about you

I was thinking about you, holiday it's what you do  
I do, I think of you  
Wonder if you're thinking too
