Do you wait for me, do you wait for me now
All time long - All night long
Do you wait for me, will you wait for me now
All night long - All night long

Innocent? It could go either way
"Satan" has come, again
Bringing some of his friends

He has won - His boys are having fun
Hatred I can see you've won this time
Satan's angels swarm to catch the tide
Satan's Angels fly

I'm only dreaming of a time when I'll survive
I'm only thinking of a way to turn back time
I'm only weeping
Cuz the sounds that rang around have all died down
Fly

Climbing up the fire escape
I can not move but that's okay
I tell myself that you'll be here
I'll wait for you, I'll wait for you

Bring down the rain
Bring down the rain
