Sucking on blackcurrant juice out carton  
You flick on your loosest tooth with your tongue  
Up on the edge of the high rise roof  
Oh let me touch you  
You've got jet pilot eyes that barely see me  
Fizzing E105 across my body  
I'm on the edge of a high rise roof  
I made you laugh  
I knew I could

Beautiful thing  
Is it only serotonin?  
Feel my blood thin  
Beautiful thing

Another dusk is falling on this hollow town  
An aeroplane is calling from inside a cloud  
You're talking to me on a high rise roof  
Oh god that means you may...  
Oh god I feel your arm up on mine  
As you go to dangle them over the side  
I'm on the edge of a high rise roof  
I made you laugh  
I thought that maybe I could

Beautiful thing  
Is it only serotonin?  
Feel my blood thin  
Beautiful thing  
Beautiful thing  
Is it only serotonin?  
Feel my blood thin  
Beautiful thing

How can I get you to let me kiss you?  
Look at all the specks the orange flecks there beneath  
you  
Sucking on blackcurrant juice out carton  
You flick on your loosest tooth with your tongue  
I'm on the edge of a high rise roof  
I made you laugh  
Yeah I thought that maybe I could

Beautiful thing...
