One autumn you once said to me  
There's too much stuff around  
The bus groaned along  
You put your hand upon the window  
The town  
And I thought  
You look just fine to me  
You look just fine to me  
You look just fine to me  
Shall we liquefy  
Oh you and I  
And mingle in the stream?  
Shall we liquefy  
Oh you and I  
And vanish into the sea?

Still sleeping you woke me up  
Muttering in your dream  
In darkness I could feel your  
Your little body breathe  
And I thought  
You feel just fine to me  
You feel just fine to me  
You feel just fine to me  
Shall we liquefy  
Oh you and I  
And mingle in the stream?  
Shall we liquefy  
Oh you and I  
And appear in the ocean's dream?  
Shall we liquefy  
Oh you and I  
And vanish into the sea?

Will I always love you?  
I just don't know  
I'll give it a go  
Will you always love me?  
How could you know?  
Just give it a go

I was at a party

That's when it came to me  
Oh what a moment  
I was reading a magazine in someone's bedroom  
And I thought  
You're just so fine to me  
You're just so fine to me  
You're just so fine to me  
Shall we liquefy
