Here I am
A young man
Come and get me if you can
Up in my room covered in flames
Meet me at the cinema
You can take me in your car
I'll lie in the back and stare at the planes
There's an orchestra in me
Playing endlessly
I even hear it now
They play in the devil's key
An endless symphony
I even hear it now
And I listen to the music
Beautiful music
Yes I listen to the music
Beautiful music

Here I am
A young man
You can roll me in your hand
Throw me up high into the air
I wandered on
Ripped and torn
A samurai in a storm
Over the sand into the glare
Because there's an orchestra in me
Playing endlessly
I even hear it now
They play in the devil's key
An endless symphony
I even hear it now
And I listen to the music
Beautiful music
Yes I listen to the music
Beautiful music

Here I am
A young man
A crashing computer program
Here is a pen
Write out my name

There's an orchestra in me
Playing endlessly
I even hear it now
They play in the devil's key
An endless symphony
I even hear it now
And I listen to the music
Beautiful music
Oh I listen to the music
Beautiful music
Yes I listen to the music
Beautiful music
Yes I listen to the music
Beautiful music
