How can I trust my memory?  
How can I trust my own memory?  
Did what I thought I saw before occur?  
How can I trust my family?  
Maybe they've lied for years to me  
Did what I thought I saw before occur?  
How can I trust my own memory?

I'll bet that you have hidden in your shirt  
The secrets of everything  
The entire universe  
I'll bet that you have hidden in your purse  
The secrets of everything  
The entire universe  
But would you ever show me?  
But would you ever show me?  
Oh will you show me?

How can I touch my memory?  
I want to hold it in front of me  
I've never done this kind of thing before  
The telephone is bleeding but I'm not sure  
What the telephone is bleeding for  
Watch out you might get some on your clothes  
How can I trust my own memory?

I'll bet that you have...
