I need to find me a shorty, shorty  
Baby, oh-no-no-no-no-ooooh

[Billy Cook]

I seen this shorty, she really caught my eye  
With a twist in her hips, as she waved to me hi  
So I tried to call her, while my head was turned  
She had gave me a look, that really had me concerned  
She was so throwed, and so off the chain  
Had every guy in the mall, asking her name  
And since the outfit that you wore, had me going  
insane  
It was lick your lips and move your hips, and flex a  
navel chain  
The way she took, her time to walk  
I guess she's walking slow, for me to catch up with her  
She laughed at me, I made her smile  
When I spoke to her, and she smiled at me  
Then she moved her hips, to talk to me  
When her friends were, coming up to walk with her  
They were talking interrupting us, guess they saying  
Another guy, was so throwed

[Hook]

(so throwed), you know your body's banging baby  
(so throwed), you got a playa going crazy  
(so throwed), I like the way you flex that thang  
So throwed, I gotta know your name  
(so throwed), you know your body's banging baby  
(so throwed), you got a playa going crazy  
(so throwed), I like the way you flex that thang  
So throwed, your body's off the chain

[Billy Cook]

See I passed her down the mall, with a Gucci outfit on  
Playas jocking her, while she was on her cellular phone  
She was looking so good, with her hair and toes all  
done  
Baby girl was iced up blinged out, and I know she was  
the one

While she was standing there, in line to pay for her  
clothes  
With an hour glass shape like Cleopatra, turning heads  
like whoa  
I didn't notice, that her friends were peeping me  
But time was running out, and my boys were calling me  
My partnas tried, to hint to me  
That they had seen, her  
With another guy, but tonight was right  
She's standing, right in front of me  
At the same time, that we react  
Was not even there, was not even there  
She should of told me, told me front outside  
That you had a man, that you had a man

(\*singing\*)

Yeeeeeah so throwed, baby you're so off the chain  
Don't you know, your whole body banging baby  
Don't you know, you look so good to me  
Girl you know, that it's extasy from the first time that I  
saw you  
Girl I think it's L-O-V-E girl, oh-oh-oh-oh-oooooh

[Lil' Keke]

I done been through a bunch of thangs, different  
women all types of games  
No time to start naming names, I'm still a playa ain't  
nothing changed  
Baby girl you just so fly, can't wait to get between them  
thighs  
Day number one you caught my eye, throwed as hell I  
can't even much lie  
Looking at you bout to lose my high, so sexy trying to  
figure out why  
How was I gonna pass you by, must of been that  
chocolate tie  
You got niggaz on the plex with me, just cause you  
done had sex with me  
Riding in the Bentley right next to me, across the world  
writing checks with me  
Come on me and you together when I flip, if I'm in a  
party you on that ship  
If I'm in the air you take that trip, if you fall off I just  
might slip  
Sucker for love I ain't never been the one, but I must  
say that you got me sprung  
Love the way that you work that tongue, here on out  
you Lil' Keke the Don's  
Can't see myself giving this thang up, tell them boys  
that they all out of luck  
After the Benz I'ma get you a truck, you mine's forever

so I guess you stuck  
Everytime wheel on you take control, follow ten minutes  
put me in the mode  
You just keep it real man I'm swoll, Lord oh mercy girl  
you so throwed

(Billy Cook)

You know, your body bang baby-baby  
You got a playa, going crazy  
I like the way, you flex that thang  
Don't you know, your body's off the chain girl  
You're the type of girl, that make a playa say whoa  
Make you spend, all your do' up in the club  
Back it up, go on lock just like it go  
Twerking it jerking it, like a pro  
Don't you know, that your body bang  
Don't you know, that you're off the chain  
Girl I like it, when you move it so slow  
Like in the video, just like how it go  
So slow, heeeey oh-oh-oh-oh-oooooh  
Yeeeeeah, girl don't you know you're off the chain  
Go on let it rain, go on let it rain  
Chain-chain oh you throwed, so throwed so throwed
