Resident Evil's lame  
Pacman was the first survival horror game  
Lost in a maze  
With no weapons  
No chance of escape

I try and make it to the middle  
(Collecting dots)  
I try and make it to the middle  
(Time to test my luck)

Chris Redfield,  
You'd better run  
'Cause I'm a yellow blob  
I got nothin' to lose

Jill Valentine,  
You're not so tough  
I'd like to see you eat all of those zombies

I try and make it to the middle  
(Collecting dots)  
I try and make it to the middle  
(Time to test my luck)
