

## Sesame Street "Above It All"

Above it all, I love to fly  
Above it all, there in the sky  
The world below, above was I  
I was above it all!

Below, some folks slept in a house  
Below those folks, there crept a mouse  
Below the mouse, the beetle sat  
Below is not where I was at

Above it all, I love to fly  
Above it all, there in the sky  
The world below, above was I  
I was above it all!

Below, some dudes went for a sail  
Below those dudes, there swam a whale  
Below the whale, a submarine  
Below is not where I was seen

Above it all, I love to fly  
Above it all, there in the sky  
The world below, above was I  
I was above it all!  
And then one day, I heard a sound  
Came from above, turned me around  
To my surprise, I saw a dove!  
I was below, he was above!

Above the dove, clouds were in flight  
Above the clouds, sun shining bright  
I asked the dove, "is something wrong?"  
"Oh, no," he said, "just change your song."

Above it all, I love to fly  
Below it too, there in the sky  
Above it now, below am I  
Above, below it all!  
(Above, below it all!)  
Above, below it all!  
(Above, below it all!)  
Above, below it all!

(Above, below it all!)  
At last I know it all!  
(At last I know it all!)  
Above, below it all!
