

## Sesame Street "Adventure"

Visit "[Adventure](#)" on MotoLyrics.com

An adventure is something we promise is going to  
excite you

(Hahh-ah-ah-ah-ahh)

An adventure is something as thrilling as it can be

(Hahh-ah-ah-hah-ah-ahhhh)

Adventures make wonderful stories and so we invite  
you, yeah

(Hoo-hoo-hoo-hoo-hooooooh)

To hear about something that happened to my friends  
and me.

(Hah-ah-ah-ah-ah. Hah-ah-ah-ah-ahhhhhhhh. Oh!)

(Spoken) Here we go!

Took off in Elmo's jet

(his jet)

A ride we won't forget

(won't forget)

And bailed out just below a huge tall mountain

We climbed for hours and hours

(and hours)

Then found some spooky towers

(spooky towers)

Inside we helped a fellow with his counting

chorus:

Adventure!

We swear to you

Adventure!

Our story's true

We had an adventure today

We had an adventure

Oh, what a thrill

Adventure!

Say what you will

It really happened to us just this way

We opened up the door

(Opened up a door)

And saw a dinosaur

(Uh-oh! A dinosaur)

He was chasing Ernie but that boy got lucky

Quick thinking saved the day

(Saved the day)  
We scared that beast away  
(Get Back!)  
With just a squeak or two from rubber duckie

repeat chorus

(Go! Go! Go! Go!... continues under next verse)

With the help of a map that I carry in my pocket  
We found our way aboard a trashcan rocket. OW!  
Went further out of space than any other singers  
And landed on Saturn with some honkers and dingers  
We made it back home with the help of Super Grover  
Hey, that was some adventure. Too bad it's over

repeat chorus

Fades out

(another suggestion for the previously missing line that  
now reads "And landed on Saturn..." was this):

"I tell you myself, I met some honkers and dingers"
