This is the very beginning  
This is the once upon a time  
Somebody's starting something  
These are the opening lines

"Seymour is waking up  
He's wearing striped pajamas  
He's jumping out of bed all smiles, he yells  
'This is the beginning!' "

Yes every story has a beginning, middle and an end  
And when it's over we can go back and tell it all again  
Yes every story has a beginning annnnnnnnd....

This is the middle of the story  
Here's where we get to the meat  
Somebody's up to something  
We're on the edge of our seats

"Seymour looks out the window  
He waves to Mrs. Fazzini  
He catches a ride on a friendly pterodactyl  
He shouts  
'This must be the middle!' "  
Yes every story has a beginning, middle and an end  
And when it's over we can go back and tell it all again  
Yes every story has a beginning, middle annnnnnnnd....

This is the end of the story  
This is the how it all worked out  
Somebody winds up somewhere  
This is the what it's all about

"Seymour flies way back in time  
He goes in to visit with some cavemen  
He runs a very successful frozen yoghurt stand  
He says  
'It's a happy ending!' "

Yes every story has a beginning, middle and an end  
And when it's over we can go back and tell it all again  
Yes every story has a beginning, middle annnnnnnnd....

An end
