Eyes are nice, and so are lips
And also hair and finger tips
But dearer to my heart
Is my favorite body part

I love a big round nose
A nose to smell a rose
I love a nose that's cute
And sweet and small
A nose that helps you sneeze
A nose to give a little squeeze
Yes, I'm fond of almost any nose at all
Oh, I love a turned up nose
Just give me one of those
A nose to breathe the air
So clear and fine
To breathe and sneeze and smell
That's what a nose does well
I'm so glad to know my nose is mine
