Meet me at the bus stop
Down on the corner by the Five and Dime
Meet me at the bus stop
We'll have a real good time
At the bus stop
That's where the bus stops
You can get a ride to most anywhere
At the bus stop
That's where the bus stops
Hey won't you meet me down there?

You call Sally, I'll call Sue
We'll catch the bus to the Central Park Zoo
Hey don't delay, please do it right away
No need to stay home and feel blue
So won't you meet me at the bus stop
That's where the bus stops
Down at the corner by the Five and Dime
At the bus stop
That's where the bus stops
You can catch a ride to most anywhere
At the bus stop
That's where the bus stops
Hey won't you meet me down there?
Hey won't you meet me down there?
Hey won't you meet me down there?
