I can't stop (stop stop)  
The way I yawn (yawn yawn)  
When a Y (Y Y)  
Comes along

O's OK (so so)  
A's alright (or as it goes)  
All the letters from A to Z  
None of them compares to C

C drives me crazy (C C)  
Like no letter around (C C)  
C drives me crazy  
And I can't calm myself down

C makes cookie (cookie cookie)  
C makes cat (cat cat)  
C makes camel (camel camel)  
X can't do that

C climbs high (so high)  
C can cruise  
Other letters get on my nerves  
'Cause they don't curve the way C curves

C drives me crazy (C C)  
Like no letter around (C C)  
C drives me crazy  
And I can't calm myself down

I can't cut it without my C  
No other letter does it for me

C drives me crazy (C C)  
Like no letter around (C C)  
C drives me crazy  
And I can't calm myself down
