I eat with chopsticks  
Can you eat with chopsticks  
Just pick up your chopsticks  
And I'll teach you how  
Some people use chopsticks  
They always use chopsticks  
So try out your chopsticks  
Right now

Two little sticks  
They're made out of wood  
And they help you  
To pick up your lunch  
Your lunch  
And if you practice  
Then you'd get good  
And you'll find you can pick up  
A bunch to munch

Eat noodles with chopsticks  
Eat dumplings with chopsticks  
Eat sushi with chopsticks  
That's fish!  
Don't eat soup with your chopsticks  
That's no good with chopsticks  
And jello will slide off  
Your dish

In faraway  
Japan they use chopsticks  
In China and also  
In Singapore  
Korean people  
Like to use chopsticks  
And also in Hong Kong  
There's more!  
And in New York  
They also use chopsticks  
You'll find them in Texas  
And in L.A.  
Yes, everywhere  
Are folks who use chopsticks

They use them to eat  
Every day!

I eat with chopsticks  
Can you eat with chopsticks  
Just pick up your chopsticks  
And I'll teach you how  
Lots of people use chopsticks  
They always use chopsticks  
So try out your chopsticks  
Right now!
