Male Voiceover: Birds in the sky (an eagle flies)  
Beasts on the land (a buffalo walks by)  
Fish in the sea (closeup of a fish face)  
And bugs in your hand (a hand holding a caterpillar)  
It's the Sesame Street Creature Feature (an owl blinks)

(This part changes for each animal)

Male Voiceover: Today's creature is the pig

Female Voiceover: I'm a pink little porker  
With a pink little snout  
And a pretty little curly  
Where my tail comes out  
I've got pink little trotters  
Four pink little feet  
I'm a pretty pinkie piggy  
And I'm piggy-wiggy sweet  
I'm an oinkle-doinkle piggy  
Sniffle-snuffle with my snout  
Here's my nose, just like a shovel  
Root and rut and rout about  
I will scamper if you make me  
I will scamper if I must  
But I'm a pretty perky piggy  
And I'll leave you in the dust  
I'm the piggy-wiggy mommy  
I'm the biggie-piggy sow  
Think it's time to have a mud bath  
Show those little piggies how  
Buddy, mud is ruddy lovely  
Ram my snout into the mud  
Splatter flat into the mud bath  
Mud is lovely, mud is good  
Shove my nose into a bucket  
Rimming full of luscious slops  
Suck and slurp  
And gulp and gobble in that bucket  
Slops are tops  
And when we're done with playing  
In the mud so sweet and deep  
The barn's a spot that's warm and dark

That's where we go to sleep  
The barn is awful-strawful  
Straw makes a lovely bed  
I lie right beside my sisters  
I sleep on my brother's head  
A piglet's life is dreamy  
Just as dreamy as it seems  
I'm so cozy-rosey-dozy  
Now it's time for piglet dreams (yawn)
