In the winter, there lots of snow
It very chilly, but don't you know
It another season, another reason
For eatin' cookie

(he devours some cookies from the box in his hands,
then leaves to arrive on a rainy spring scene, as kids
run up the hill)

In the springtime, the birdies sing
The flowers bloom, and one more thing
It another season, another reason
For eatin' cookie

(more cookies eaten)

Me eat them every season
Me eat them day or night
When it come to cookie
Me got healthy appetite

(now he arrives at a summer scene, sun shining, a
beach umbrella up, a kid with sunglasses on lies on a
towel catching some rays, a girl eating an ice cream
cone, a boy flying a kite)

In the summer, it very hot
Me go to the beach, me sweat a lot
It another season, another reason
For eatin' cookie

(he munches more cookies and leaves the scene,
arriving on an autumn one, a man raking up some of
the fallen leaves)

In the fall, the leaves turn brown
The wind it blows, the leaves fall down
It another season, another reason
For eatin' cookie

(more cookies eaten, then the screen changes to 4
Cookie Monsters, one in each season)

Winter: So if it's winter ...
Spring: Spring!

Summer: Summer!

Fall: Or fall!

Winter: It don't matter!

Spring: Hey, anytime at all!

Summer: It a season, me got a reason

Fall: For eatin' cookie!

Winter: All together now!

All: It a season ...

Spring: Oh yeah!

All: Me got a reason ...

Summer: Coming home!

All: For eatin' cookie!

(all 4 Cookie Monsters devour what's left of their cookie
boxes ... including the boxes)

Fall: Me love the outdoors!
