Everybody sleeps
Everybody sleeps
Every night we close our eyes
Until the morning creeps
Mountaineers on mountain tops
And divers in the deeps
They like to sleep
How do we know it's so
'Cause everybody, everybody sleeps

There are people who sleep lightly
There are people who sleep sound
There are folks who tuck themselves in bed
And some sleep on the ground
There are people who sleep nightly
There are people who sleep days
But it really doesn't matter
Don't you know, it's so
'Cause you can sleep in oh so many ways

Everybody sleeps
Everybody sleeps
Every night we close our eyes
Until the morning creeps
Mountaineers on mountain tops
And divers in the deeps
They like to sleep
How do we know it's so
'Cause everybody, everybody sleeps
Everybody sleeps
