I'm fixing my hair
Going stepping so I'm
Fixing my hair
When they see me they'll be
Really impressed
Looking my best
Smile on my face
And every curl in place

That's why I'm fixing my hair
Yes I'm fixing my hair

Fix, fix, fix, fix my hair, fix, fix
Fix my hair, fix, fix, fix my hair, yes fixing my...

I'm fixing my hair
The world is waiting while
I'm fixing my hair
I'm gonna wow 'em
When I walk down the street
Looking so neat
People will yell
"Gosh you look swell!"

That's why I'm fixing my hair
I'm almost ready and
I'm fixing my hair
When I'm finished
Fixing my hair
I'll be the best possible me

Fixing my hair (repeat 4 times)
