Follow the arrows.
Just follow, don't say no.
Follow the arrows.
They'll show you where to go.
Arrows go up.
Arrows go down.
Arrows go through.
And they go round and round!
(They go round and round!)
(They go round and round!)

Arrows go this way.
Arrows go that.
Arrows take you to an octopus.
They take you to your hat!

So follow the arrows.
Just follow, don't say no.
Follow the arrows.
They'll show you where to go.
Arrows go left.
Arrows go right.
Follow in the morning,
Or follow them at night!

Arrows help you find the bus.
Arrows take you to a fish.
Arrows take you to a rodeo!
They'll take you anywhere you wish.

So follow the arrows.
Just follow, don't say no.
Follow the arrows.
They'll show you where to go!
