Oh I'm going for a ride  
Gonna sit behind the wheel  
Gonna drive along the road  
Oh how happy I will feel  
And I'm gonna toot my horn  
Gonna travel near and far  
I'm going for a ride  
Going riding in a car  
And a car goes vroom...  
And a car goes vroom...  
And a car goes vroom...  
Gonna travel near and far  
Going riding in a car

Oh I'm going for a ride  
And I'm never going back  
Gonna be an engineer  
Gonna speed along the track  
And you'll hear my whistle blow  
And I'm happy to explain  
That I'm going for a ride  
Going riding on a train  
And a train goes woo...  
And a train goes woo...  
And a train goes woo...  
And I'm happy to explain  
I'm going riding in a train

Oh I'm going for a ride  
I'm gonna sail the ocean blue  
And I'm gonna be a captain  
And I'm gonna have a crew  
Gonna sail the seven seas  
On the water I will float  
Cause I'm going for a ride  
And I'm riding in a boat  
And a boat goes toot...  
And a boat goes toot...  
And a boat goes toot...  
On the water I will float  
Going riding in a boat

Yes, I'm going for a ride (vroom)  
Yes, I'm going for a ride (woo)  
Yes, I'm going for a ride (toot)  
Yes, we're going for a ride
