Goodbye, goodbye little cookie  
Me always remember just you  
Goodbye, goodbye little cookie  
It now time to bid you adieu

Once you were baked in an oven  
Just like a cake or a pie  
Now you're so brown and pretty  
Me hate to tell you goodbye

But goodbye, goodbye little cookie  
Me always remember just you  
Goodbye, goodbye little cookie  
It now time to bid you adieu  
Me love your nuts and your raisins  
Me love your color and smell  
Me like to hold you forever  
But now it is time for farewell

So goodbye, goodbye little cookie  
Me always remember just you  
Goodbye, goodbye little cookie  
It now time to bid you adieu
