There's a kind of talk that's goin' 'round  
Hand Talk talking's all over town  
You don't use words and you don't need lips  
You can say it all with your fingertips

Hand Talk, Hand Talk  
Hand Talk, Hand Talk  
Talking with your hands  
Everybody's rocking when you're talking with your  
hands

Talking hands sure got a lot to say  
Talking about "go" and talking about "stay"  
Talking down low or way up high  
They can say "hello" and they can say "goodbye"

Hand Talk, Hand Talk  
Hand Talk, Hand Talk  
Talking with your hands  
Everybody's rocking when you're talking with your  
hands

Everywhere you look there's talking hands  
Talking with someone who understands  
Hands talking Hand Talk all day long  
Talking hands can talk, can sing this song

Hand Talk, Hand Talk  
Hand Talk, Hand Talk  
Talking with your hands  
Everybody's rocking when you're talking with your  
hands

Hand Talk, Hand Talk  
Hand Talk, Hand Talk  
Talking with your hands  
Everybody's rocking when you're talking with your  
hands

Talking with your hands  
Talking with your hands  
Talking with your hands  
Hand Talk
