First your fingers snap  
And then your toes start tappin'  
Give your knees a slap  
And let your hands start clappin'  
Anything can happen when you're happy tappin' with  
Elmo

Don't need a map to find the King of Tappin'  
I'm the reddish chap  
The one whose arms are flappin'  
People, it's a snap  
So try some happy tappin' with Elmo

Happy's such a neat emotion  
It'll give your feet a happy notion  
If your toes get tired rub in some lotion  
And they'll feel swell, so, come join Elmo

You'll be happy when you see me tappin'  
Better make it snappy, don't get caught nappin'  
Tell your mam and pappy that you're happy tappin' with  
Elmo  
Happy tappin' with Elmo

Happy's such a neat emotion  
It'll give your feet that happy notion  
If your toes get tired rub in some lotion  
And they'll feel swell, so, come join Elmo

You'll be happy when you see me tappin'  
Better make it snappy, don't get caught nappin'  
Tell your mam and pappy that you're happy tappin' with  
Elmo  
Happy tappin' with Elmo  
Yeah!
