Cookie: Hey food me in the mood  
For fish, meat or cheese called cheddar  
Me eat them all before me am done  
'Cause not know which one  
That me like better

Beetles: Hey food when we feel bad  
We chew on a piece of bread or  
Some veggies or a raspberry tart  
And then we start to feel much better

So eat it up and drink it down  
Hey food we've found  
That you are so healthful and nutritious  
By the ounce or by the pound  
Glad you're around

Cookie: 'Cause me so hungry  
And you delicious!

All: Yum yum yum yum, yum yum yum yum!

Beetles: Hey food can't put you down  
If you're dry toast or something wetter  
Whenever we take you off of a plate  
We feel so great

Cookie: And me feel better, better, better, better

All: Better, better, better, ooooooooo!

background "yeah"s and "better"s as Cookie Monster  
starts eating everything in sight
