Well, I'd like to visit the moon  
On a rocket ship high in the air  
Yes, I'd like to visit the moon  
But I don't think I'd like to live there  
Though I'd like to look down at the earth from above  
I would miss all the places and people I love  
So although I might like it for one afternoon  
I don't want to live on the moon

I'd like to travel under the sea  
I could meet all the fish everywhere  
Yes, I'd travel under the sea  
But I don't think I'd like to live there  
I might stay for a day there if I had my wish  
But there's not much to do when your friends are all  
fish  
And an oyster and clam aren't real family  
So I don't want to live in the sea

I'd like to visit the jungle, hear the lions roar  
Go back in time and meet a dinosaur  
There's so many strange places I'd like to be  
But none of them permanently

So if I should visit the moon  
Well, I'll dance on a moonbeam and then  
I will make a wish on a star  
And I'll wish I was home once again  
Though I'd like to look down at the earth from above  
I would miss all the places and people I love  
So although I may go I'll be coming home soon  
'Cause I don't want to live on the moon  
No, I don't want to live on the moon
