Rosita: Every morning when I wake up
There's just one feeling I feel
I hear the birds and I see the sun
I can't believe it's for real

I feel so happy
So very, very happy
I'm the happiest monster you'll ever see
There's no one as happy as me

(spoken) Rosita: Oh, Hi Elmo!

Elmo: Hi Rosita!

Rosita: I'm so happy today!

Elmo: Elmo's even happier than Rosita

(sung) Every day when the sun comes up
It's time to laugh and to play
There's just one feeling in Elmo's heart
And Elmo's happy to say

Elmo feels happy (laughs)
So very, very happy
Just the happiest monster you'll ever see
As happy as happy can be!

(spoken/sung) Elmo: Elmo's the happiest

Rosita: No, I am happiest

Elmo: Elmo's the happiest

Rosita: Rosita is happiest
Please don't say you're the happiest
'Cause there's no one more happy than me
I am the happiest

Elmo: No, Elmo's the happiest

Rosita: Rosita is the happiest

Elmo: Elmo's the happiest
Please don't say Rosita's the happiest
Elmo's happy as happy can be

(they growl at each other)

Rosita: Wait a minute, Elmo

Elmo: What?

Rosita: If we don't be careful, we're gonna be the
angriest and then we won't be happy anymore.

Elmo: Oh, Rosita's right, that would not be good

Rosita: Listen,
Take two monsters like you and me
There's not a happier pair

Elmo: And the favourite feeling we love to feel
Is a feeling two can share!

Together: We feel so happy
So very, very happy
We're the happiest monsters you'll ever see
There's no one as happy as we

(joined by the sun hanging in the background)

We feel so happy
So very, very happy
We're the happiest monsters you'll ever see
There's no one as happy as happy as happy as
You...

Sun: Oh, yeah

R & E: And me!
(all laugh)
