I can't think of anything that's dumber  
To a grouch, Christmas is a bummer!

Beaming faces everywhere, happiness is in the air  
I'm telling you, it isn't fair!  
I hate Christmas!

People loaded with good will, giving presents, what a  
thrill  
That slushy nonsense makes me ill  
I hate Christmas!

I'd rather have a holiday like normal grouches do  
Instead of getting presents, they take presents back  
from you  
Heh heh

Here comes Santa, girls and boys  
So, who needs that big red noise!  
I'll tell him where to put his toys  
I hate Christmas!

(spoken): And if you want the truth, I ain't so crazy  
about Thanksgiving or Labor Day either!  
Christmas carols to be sung, decorations to be hung  
Oh, yeah? Well, I stick out my tongue!  
I hate Christmas!

Christmas bells play loud and strong  
Hurts my ears, all that ding dong  
Besides it goes on much too long  
I hate Christmas!

I'd rather have a holiday with a lot less joy and flash  
With a lot less cheerful smiling, and a lot more dirty  
trash, yeah!

Christmas Day is almost here  
When it's over, then I cheer  
I'm glad it's only once a year  
I hate Christmas!
