

## Sesame Street "If I Were"

Visit "[If I Were](#)" on [MotoLyrics.com](http://MotoLyrics.com)

If I were a poet  
I would write a sonnet  
It would say "I love you"  
Your name would be upon it  
If I were a farmer  
I'd give you a bunny  
If I had a beehive  
You would get free honey  
Fa la la (many times)

If I were a baker  
You could have a cruller  
If I were a painter  
Choose your favorite color  
If I had some diamonds  
I'd give you a few  
Anything to show you  
How much I love you  
Fa la la, etc.

Did you guess my secret?  
I am not a poet  
Couldn't write a sonnet  
And I think you know it  
I am not a farmer  
Can't give you a bunny  
I don't have a beehive  
Sorry 'bout the honey  
Fa la la, etc.

I am not a baker  
Don't know bread from batter  
And I am not a painter  
And it doesn't matter  
I don't need a present  
All I have to do  
Is look at you to show you  
How much I love you  
Fa la la, etc.
