Little girl: My L is lost, my letter L is lost!

Fairy: If you've lost your L look around you'll find him,
Just look patiently

There's a letter L in lots of places

Look around you'll see

There's an L in love and out on a limb

There's a letter L at sea, in a lifeboat, luckily

Little girl: My L is lost! My letter L is lost!

Fairy: Did you look on the ledge, by the lake, on the
lawn,

Or was he lying by the ladder

Was he just lollygagging along?

There's a letter L in your lettuce

There's an L in the lap of luxury

There's an L in your own lap...

Little girl: There's an L in my lap!!!!

My L is lost. My letter L is lost!

Fairy: If you've lost your L look around you'll find him,
Just look patiently

(fades off)
