(spoken)

Hello everybody, I'm a baby seal. This is a song I sing,
whenever I'm feeling down in the dumps about the way
I look.

(sung)

Look at the sky, look at the sea
Look at clouds and then look at me
I'm pretty
What I am is pretty

Look at a flower, look at a tree
Look at the birds, and then compare them to me
I'm pretty
What I am is pretty

Everything looks different
As individual as it can be
But who's to say that what looks funny to you
Might not be simply gorgeous to me?

Look at the stars and all the beauty you see
Could you ever find a single thing as pretty as me?
I'm pretty
What I am is pretty
And that's the way I'm always going to be!!
