Well, my Mama had a baby  
And that baby's here to stay  
Someday our baby maybe  
Finally big enough to play  
For now, I'm fetchin' diapers  
For now, I'm helping out  
I help feed him and I wipe him  
When that food comes flying out  
And it's me who knows how  
'Cause I'm the big one now

I hug him and I squeeze him  
And I help him learn to talk  
I try hard not to tease her  
While she's learning how to walk  
I help to read him stories  
I help pick up his toys  
I teach her to play peek-a-boo  
And I teach her to make noise  
And it's me who knows how  
'Cause I'm the big one now

I love my little sister  
The sharing and caring  
I love to choose the teeny little  
Clothes that she'll be wearing  
I love my little brother  
There ain't nothing to it  
Well, sometimes it's a dirty job  
But someone's got to do it

Well, my Mama brought a baby home  
To join our family  
And together every day we're all  
As happy as can be  
That baby's gotten bigger  
That kid is really fun  
And I'm so proud that I'm allowed  
To be the grown-up one  
It's me who knows how  
'Cause I'm the big one now  
Yes, it's me who knows how

'Cause I'm the big one now

Yeah, that's me
