Here in the middle of imagination  
Right in the middle of my head,  
I close my eyes and my home isn't home,  
And my bed isn't really my bed.  
I look inside and discover things,  
That are sometimes strange and new,  
And the most remarkable thoughts I think,  
Have a way of being true.

Here in the middle of imagination  
Right in the middle of my mind,  
I close my eyes and the night isn't dark  
And the things that I lose, I find.  
Time stands still and the night is clear,  
And the wind is warm and fair,  
And the nicest place is the middle of imagination  
When ... I'm ... there ...
