

Sesame Street "In My Book"

There's a tiger in my book
And a lion in my book
There's a sneaky alligator I can spy on
In my book
Sometimes all I need
Is a book to read

There are pirates in my book
On an ocean in my book
There's a sorcerer with secret magic potions
In my book
And to learn where the story will lead
I just read
On a quiet day
I could go outside and play
But there's adventure in my book
So exciting in my book
Turn the pages
See the pictures
Read the writing in my book
Yes, sometimes all I need
Is a book to read
