BOY:

A girl named Rosalita moved in down the block
I think I like her but I'm much too shy to talk
A little bit of conversation is my goal
I'll break the ice with just a little Espanol

Hace calor, mucho calor
Could fry an egg on the cement it's so caliente
Hace calor mucho calor
How 'bout this weather it sure is HOT?!

ROSALITA:

The boy from up the block just totally made my day
But I'm too shy to think of anything to say
A little bit of conversation would be neat
I guess I'll just go right on talkin' 'bout the heat!
Hace calor, (Hace calor) si si senior
Could fry an egg on the cement it's so caliente
Hace calor, (Hace calor) si si senior
How bout this weather it sure is hot?!

Hace calor, si, it's as hot as an enchilada
Si, la cabeza it cooks like a cheese toastada
Hace calor, si, it's as hot as a hot tamale
Hace calor, si, it's as hot as a hot Timbale
