

Sesame Street "Just One Me"

There's just one me
Nobody like me
Take a look and see
Just one me
The sound of my voice is like no voice that you've
heard
Whatever I am, I know I'm one special bird!

There's just one me
Nobody like me
Look around and you'll agree
In the whole wide world of people that you see
There is just one me!

There's just one you
Nobody like you
Take a look, it's true
Just one you
The smile on your face is like no smile that I've seen
You're one special person if you know what I mean

There's just one you
No other person
Who does all the things you do
Yes, it's absolutely, posolutely true
There is just one you!
