When Christmas time is over and presents put away,
don't be sad
There'll be so much to treasure about this Christmas
day and the fun we've had
So may happy feelings to celebrate with you
And, oh, the good times hurry by so fast,
But even when it's over there's something you can do
to make Christmas last

Keep Christmas with you
All through the year,
When Christmas is over,
You can keep it near.
Think of this Christmas day
When Christmas is far away.

Keep Christmas with you
All through the year,
When Christmas is over,
Save some Christmas cheer.
These precious moments,
Hold them very dear
And keep Christmas with you
All through the year.
Christmas means the spirit of giving
Peace and joy to you,
The goodness of loving,
The gladness of living;
These are Christmas too.

So, keep Christmas with you
All through the year,
When Christmas is over,
Save some Christmas cheer.
These precious moments,
Hold them very dear
And keep Christmas with you
All through the year.
