When I wake up and the mornin's bright
My mama often wonders if I'm feelin' alright
Cos' I'm runnin' for the toothpaste
I'm always in a rush
Oh, Mama, I can hardly wait to brush

My teeth (my teeth) (brushing noises)
I really love to brush
My teeth (my teeth)
I love to brush
My teeth (my teeth) (brushing noises)
Kids just love to brush

After lunch, Dad says, "What's the matter, Hon?
Don't you wanna play outdoors and have some fun?"
I say, "Daddy, Daddy, dear
You're makin' me blush
All I want to do is brush

My teeth (my teeth) (brushing noises)
I really love to brush
My teeth (my teeth)
I love to brush
My teeth" (my teeth) (brushing noises)
Kids just love to brush
Kids just love to brush

They love it
They love it
They love it
They love it
Kids just love to brush

They love it
They love it
They love it
They love it
Kids just love to brush

My friends come over to spend the night
And we have more fun than a pillow fight
But my Mom and Dad go crazy

They're begging us to hush
It's a party every time we brush

Our teeth (our teeth) (brushing noises)
We really love to brush
Our teeth (our teeth)
We love to brush
Our teeth (our teeth) (brushing noises)
Kids just love to brush
Kids just love to brush

They love it
They love it
They love it
Kids just love to brush

They love it
They love it
They love it
Kids just love to brush
