Ernie: I've got two eyes

Elmo: Oh, got two eyes

Ernie: So I can see

Elmo: Yes, eyes can see

Ernie: I've got two ears to listen to what you say to me

Elmo: What you say to me

Ernie: I've got a mouth

Elmo: Yes, got a mouth

Ernie: So I can speak

Elmo: A mouth can speak

Ernie: I've got a cheek right here

And here I've got another cheek

Elmo: Another cheek

Ernie: I've got a nose

Elmo: One little nose

Ernie: So I can smell

Elmo: A nose can smell

Ernie: I've got a chin

But what a chin does I just can't tell

Elmo: Just can not tell

Ernie: I've got eyes, ears, nose, mouth, cheek, and chin

Each in its place

And they're all part of one fine face

Ernie: You've got two eyes

Elmo: Two pretty eyes

Ernie: So you can see

Elmo: Just look and see

Ernie: You've got two ears to listen to what you say to me

Elmo: What you say to me

Ernie: You've got a mouth

Elmo: Oh yes, a mouth

Ernie: So you can speak

Elmo: A mouth can speak

Ernie: You've got a cheek right here

And here you've got another cheek

Elmo: Another cheek

Ernie: You've got a nose
Elmo: A little nose
Ernie: So you can smell
Elmo: A nose can *sniff*
Ernie: You've got a chin
But what a chin does you just can't tell
Elmo: Just can not tell

Ernie: You've got eyes, ears, nose, mouth, cheek, and
chin
Elmo: Each in its place
Both: And they're all part of one fine face
Yes, they're all part of one fine face
