Every song the
World sings, each
Was once unknown
Somebody felt a song
Inside and wasn't
Afraid to sing alone
If you feel the music
And you sing it clear
And true
Then the world can
Sing with you

One small voice can
Teach the world a song
Start with one small
Voice till another
Sings along
And then you'll feel the
Music growing full and
Sure and strong
One small voice can
Teach the world a song

No tune is too simple
No voice can
Be wrong
Music can come from
Any heart and anyone's
Voice can lead
The song
If you feel the music
And if you believe
The words
Sing and you'll
Be heard

One small voice can
Teach the world a song
Start with one small
Voice till another
Sings along
And then you'll feel the

Music growing full and
Sure and strong
One small voice can
Teach the world a song

One small voice can
Teach the world a song
Start with one small
Voice till another
Sings along
And then you'll feel the
Music growing full and
Sure and strong
One small voice can
Teach the world a song
