I am very proud of me,  
I think I will sing out loud of me,  
There ought to be a crowd of me  
Because I am so special.

Yes, I do have pride in me,  
I love ev'ry bright blue side of me,  
I feel so satisfied in me  
Because I am so special.

P-R-I-D-E spells pride,  
That is P-R-I-D-E.  
Pride is the feeling of feeling good about me,  
About me.  
Yes, indeed, I please myself,  
My fingers, my toes, my knees, myself,  
I hug and kiss and squeeze myself,  
Because I am so special.

I seldom have a doubt of me,  
I love ev'ry in and out of me,  
I think I have to shout of me,  
Because I am so very, very, very, very proud  
Of me!
