When we finish rock and rollin' on Saturday night
We need a change of pace and so we say "Alright!"
We know just what
It is we need
These rock and rollers want something to read

Well it sure is lots of fun to be a rock and roll star
But being a rock and roll reader is better by far
That's why we're here
We're all agreed
These rock and rollers need something to read

We're rock and roll readers
(rock and rollers want something to read)
Rock and roll readers
(reading's something rock and rollers need)
When we're not on the stage
We're likely to be
Making an appearance at the library
Making an appearance at the library
Well we've been rock and rolling from the east to the
west
But when we're finished rock and rolling there's one
thing we like best
We put down our guitars
We take our fingers off the keys
And pick up a book and read

We're rock and roll readers
(rock and rollers want something to read)
Rock and roll readers
(reading's something rock and rollers need)
When we're not on the stage
We're likely to be
Making an appearance at the library
Making an appearance at the library
Making an appearance at the library
