(spoken introduction)

Little Richard: Hi! I'm waiting for my friend Rosita. She's supposed to be here to help me sing a song about the way she makes me feel. Now where can that girl be?

Rosita: (jumping up) SURPRISE!!! (laughs)

LR: Oh! Rosita!

Rosita: Mmm-hmmm?

LR: You surprised me!

Rosita: Is that good?

LR: Oh yeah, I love surprises.

Rosita: Oh!

LR: I like ALL the ways you make me feel.
(begins to play the piano)

Rosita: All right!

(sung)

I got a gal named Rosita, there's so much she makes
me feel
She can make me smile or frown or scream or laugh or
cry or squeal
Rosita! Honey, look what you've done!
There's so many ways of feelin' and you take me
through them one by one!

When you show me that you like me, whooo, it makes
me proud
I feel so good about it I gotta shout out loud
Rosita! Honey, look what you've done!
There's so many ways of feelin' and you take me
through them one by one!

Sometimes you go away, and whooo, it makes me sad

But then you come right back again, oh, it makes me
glad
Rosita! Honey, look what you've done!
There's so many ways of feelin' and you take me
through them one by one!

(Hoots' saxophone solo)

Well when you sneak up behind me 'n let out a rebel
yell
It really really scares me because I just can't tell
That it's Rosita! Honey, look what you've done!
There's so many ways of feelin' and you take me
through them one by one!

Gee, you took my rubber duckie, now I'm one unhappy
boy
But hey you brought it back and now I wanna jump for
joy
Rosita! Honey, look what you've done!
There's so many ways of feelin' and you take me
through them one by one!

ROSITA!!! My love for you is real!
There's no one who can beat you and I love the way you
make me feel!
Whooooooooo!

Rosita: (hugging him) Whoo! I love you.
