In the chilly hours and minutes of uncertainty,
I long to be in the warm halls of your love and mine
To feel you all around me, to take your hand and walk
along the sand
Oh, but I may as well try and catch the wind.
When sundown pales the sky I want to hide a while
behind your smile,
And everywhere I look your eyes I find.
For me to love you now would be the sweetest thing, it
would make me sing
Yeah, but I may as well try and catch the wind.
I'm gonna catch that wind,
Help me catch the wind.
All for you, babe
Just for you baby.
When rain has hung the leaves with tears
I want you near to kill my fear.
Help me to leave my blues behind
For standing inside your heart where I want to be, Oh, I
long to be
Oh, but I may as well try and catch the wind.
I'll try and catch the wind
I'm gonna try, oh, to catch the wind
Feel your arms around me, all around me....
