Got a brand new dance that I'm nuts about  
(A new dance that she's nuts about)  
Well, first you suck your cheeks in  
Then ya puff 'em out  
(Suck in your cheeks; then ya puff 'em out)

Raise one hand, then the other  
Like you're climbin' a tree  
Yeah, pretend that you're a squirrel  
It's the thing to be!  
Come on and take a chance  
And do a Silly Squirrel Dance with me!  
(Squirrel Dance with me!)

Now give your tail a shake  
And then you shout "Yahoo!"  
(Shake it, baby, and shout "Yahoo!")  
Hey, if you don't have a tail  
Then your leg will do  
(Don't need a tail, your leg will do!)

Now hop on one foot  
Then collapse on the floor  
Come on, everybody, whatcha waitin' for?  
It's time to take a chance  
And do a Silly Squirrel Dance with me!  
(Squirrel Dance with me!)

While you're lyin' on your back  
Start to rub your tummy  
This dance'll make you happy  
When you're feelin' crummy  
Stick your thumbs in your ears  
And wiggle your fingers and shout:  
"The Squirrelles are our favorite singers!"  
Thank you!

Now our dance is nearly done  
There's not much left to do  
(There's really not much left to do)  
Except to get back on your feet  
And take a bow or two!

(Back on your feet and take a bow or two!)

We had such a good time  
We don't wanna stop!  
So, once again, let's rub and puff  
And climb and hop!  
Come on and take a chance  
And do a Silly Squirrel Dance with me!  
(Take a chance and do a Silly Squirrel Dance!)

Come on and take a chance  
And do a Silly Squirrel Dance with me!  
(Squirrel Dance with me!)

Take a chance  
(And do a Silly Squirrel Dance!)  
Come on and take a chance  
(And do a Silly Squirrel Dance!)  
Come on and take a chance  
(And do a Silly Squirrel Dance!)

(repeat and fade)
