Boy: Some enchanted lunchtime  
You may see a stranger  
Someone you don't know yet  
Drinking her juice alone

(he gets up from his seat, going towards her)

And you'll say "hello"  
And give her a smile  
And ask her to sit with your friends awhile  
(Would you care to join us?)

Girl: Some enchanted lunchtime  
You may see a stranger  
Someone no one knows yet  
And they're all having fun  
You're finished your juice  
You're eating your snack  
Then he'll say "hello"  
And you'll say it back  
(I'd love to join you)

(he walks around to her side of the table as she gets up)

Boy: Once you have met her  
You have made a friend

Girl: Once you have met him  
You have made a friend  
Some enchanted lunchtime  
(they start walking towards his table of friends)

Boy: Some enchanted lunchtime

Girl: When you meet a stranger

Boy: When you meet a stranger

Girl: Someone you don't know yet

Boy: Someone you don't know yet

Both: You might be feeling shy  
But sometimes it's true  
They're kind of shy too  
And if you are friendly  
They'll sit with you

Boy: Once you have met her  
You have found a friend

Girl: Once you have met him

Both: You have made a friend
