I have fur that's blue and fuzzy  
You may not have fur that's blue and fuzzy  
Still we like each other

I like gooey peanut butter  
You may not like gooey peanut butter  
Still we like each other  
Mmmmmmm ....

We are friends  
You and me  
And it doesn't matter what we look like  
Or if sometimes we don't agree  
'Cause  
We are people who are different  
People can be very very different  
Still they can like each other  
Hmmm ....

You have your looks and likes  
And I have mine  
Still we like each other fine
