What do people do all day?
People work and people play
Everyone, in their own way
Helps make the world go 'round, ohhhh

Busy people, the whole day through
All have got a job to do
Doing things for me and you
That's what people do

Bus drivers drive buses
Grocers give us food
Clowns make us laugh,
Giggle, and feel good! Ohhhh

That's what people do all day
People work and people play
Everyone in their own way
Helps make the world the go 'round, ohhh

Busy people, the whole day through
All have got a job to do
Doing things for me and you
That's
What
People
Do! (Oooo-oo-oooh, oooo-oo-oooh)
That's what people do!
